This guide highlights certain components of the plan, but it is only an overview. This guide does not take the place of the official plan documents, which are the final authority on plan provisions used to determine how and when benefits are paid. This guide is a tool for you to use, but you should consult the plan documents, Summary Plan Descriptions (SPDs), Summary of Benefits Coverage documents (SBCs) and any Evidence of Coverage or Certificates of Coverage and their related insurance policies or contracts, for any benefits described in this guide. The company reserves the right to change, amend, suspend, withdraw or terminate any or all of the plans, in whole or in part, at any time in its sole discretion.
