

Event Driven Guidance: Delivering the Promise®

Compassionate support when beneficiaries need it most

We want to deliver on our promise

We set ourselves apart by considering the diverse needs of employers, employees and their beneficiaries. Delivering the Promise is a valuable resource offered through MetLife's PlanSmart financial wellness solution. This unique program can enhance your benefit offerings, help reduce your workload and help beneficiaries with the details and questions about claims and financial needs during a difficult time. Delivering the Promise is available to our Group Life customers at no additional cost.

It's unique

During a time of loss, MetLife has arranged for third party financial professionals to provide your employees' beneficiaries dedicated support, upon request of a beneficiary or family member. They thoroughly understand the circumstances of beneficiaries and their families and have the special skills needed to work with them.

Delivering the Promise Specialists are ready to provide assistance with:

- Completing and filing life insurance claims — including those from other companies
- Contacting Social Security or Veterans Administration, or other government agencies about benefits
- Locating local grief counseling and support resources

You'll discover how easy it is

There are no additional steps for you to implement Delivering the Promise. Beneficiaries can call the toll-free number to set up an appointment with a financial professional.
